

# FLEX LED

## 5W/M FLEXIBLE COB LED STRIP

Our high quality COB strip has a major advantage with our 16mm cut length which makes it ideal for cabinetry for full illuminated profile lengths.

|                    |   |
|--------------------|---|
| Product Code       | 3000°K – 05480COB20 – 930                       |
| Finish             | White   |
| Material           | Polyimide                                       |
| Lamp Source        | LED   |
| Lamp Base          | COB   |
| Colour Temperature | 3000°K  |
| CRI                | >90   |
| Wattage            | 5W/m  |
| Lumens             | 3K – 484 lm/m                                   |
| Beam Angle         | 180   |
| Input Voltage      | 24V DC  |
| Dimensions         | 10mm W x 5m max (10m if powered from both ends) |
| Cutting Length     | 16.7mm  |
| Power Supply       | Required – 24V DC                               |
| Dimmable           | Power Supply Dependant                          |
| IP Rating          | IP20  |
| Rated Average Life | 40,000hrs                                       |
