

BE30-6x6 LED Panel 600x600

30W

This LED Panel Light is at the leading edge of commercial lighting. Use this 2' x 4' rectangular LED panel light for office lighting, basement lighting, gym lighting, school lighting and hospital lighting! BE30-6x6 LED light panels are designed for residential and commercial suspended grid ceilings. Replace existing fluorescent troffer light fixtures or use for new construction applications. Eliminate maintenance costs and enjoy a high efficiency light source. With an optical diffuser, the LED panel light delivers a smooth, flawless wall of illumination without visible bulbs or hot spots. Mount with our suspension kit, plaster recess kit or surface mount kit. Dimmable driver available.
